

WHY CERTIFY?

World-class automated travel and expense management

Fast-growing companies today need a travel and expense management solution that is robust, flexible, cloud-based, and easy-to-use. A best-in-class tool will integrate seamlessly with your data and offer exceptional reporting and analytics—allowing your team to stay informed, agile, and strategic.

WHAT IS CERTIFY?

Certify is the world's leading cloud-based travel and expense management solution for organizations of all sizes. With auto-generated reports, built-in compliance controls, effortless travel booking, and world-class mobile capabilities, Certify eliminates the need for manual processes—providing strategic insight with on-demand reporting and analytics.

WHY CUSTOMERS USE CERTIFY

Certify takes all the pain out of expense reporting, dramatically boosts productivity, and builds better business intelligence with industry-leading reporting and analytics. Turn expenses into a happy, efficient, and future-proofed process.

- Industry leader in user satisfaction
- 360° visibility into T&E spend
- Increased productivity with intelligent integrations

“I love the program as the controller—and we receive nothing but positive feedback from the field on how easy the program is to use and the tremendous timesaver it is for all parties. This is absolutely the best!”

Kathleen M, Controller
BrandSource
